

JUNIOR PISTOL REPORT FROM INTERSHOOT

A large contingent of England Pistol shooters set off in various parties for Intershoot, trying new accommodation near the venue proved a great success and the whole team is grateful to Lesley Holmes for co-ordinating this.

The junior squad of:

Junior Men:- Eddie Graver, Christian Callaghan, Sam Hill and Matt Barnes

Junior Women:- Anna Rehfisch, Gemma Couzens, Imogen Sida-Page, Holly Soul, Ashleigh Holmes

The whole team shot consistently and brought home three silvers (all Anna) and three bronze medals (two for Christian and one for Imogen) was a splendid result and very good experience; other squad members who qualified for finals were Holly, Gemma, Matt and Ashleigh.

The squad would like to thank Tom, Ron and Dick (Fillery) for their help.

[A quick note following the junior girls visit to RIAC before Christmas I received the following e-mail from the president of the Luxemburg Shooting Federation 'The girls were fun to have at our event very friendly and a credit to the team'.]
