

England TENS squad attend Grand Prix of Liberation in Plzen

All 12 members of the Rifle TENS squad competed in the GP of Liberation in Plzen, which was held between 6th - 10th May 2009. This competition was chosen as it is generally a well attended and of a high standard as many European teams use it as a warm up to the Munich World Cup.

The team travelled out from Heathrow on Tuesday 5th. The following day was free training on all ranges and competitions were scheduled to begin on Thursday.

Conditions on the Lobsey range in Plzen were for the most part ideal for producing high scores during the week.

Overall the England Tens squad's performance surpassed expectations in breaking six British records equalling one and having 4 podium finishes. Details of results are below.
